

Cal JC Caucus

Thursday December 11, 2008

9:00 a.m.

Marco Island

1. Introductions:

- Darci Brownell-Sierra College
- Donna Runyon-Ohlone College
- Bob Maglione- Sacramento City College
- Doug Eastman- College of the Siskiyous
- Maggie White- College of the Redwoods

2. Cal JC State Championships

(Darci) Problem: Original site (Salinas) is hosting a NASCAR race the same weekend. There are no hotels available in Salinas for under \$200.00 at night.

(Darci) Solution:

1. Move the championship to Mission College in Sunnyvale. The fields would need a lot of work to be acceptable State Championship fields.
2. Keep the State Championships in Salinas and have the host hotels in Gilroy 45 minutes away with race traffic.

Discussion

(Bob) I have been to Mission College and the fields are not State Championship fields. Last year in Riverside we stayed 45 minutes away from the field and battle Los Angeles traffic. So what is the difference?

(Doug) Last year at States the hotels were so bad I packed my team up and moved to a different hotel. 45 minute drive is no big deal if we can play on championship fields.

(Donna) Mission is in our conference and we play there a lot. The fields are not quality.

(Darci) Ok let's vote

VOTE: 5 keeping the championships in Salinas

0 for moving the championships to Mission College.

3. All-American Voting

(Doug) We need to for a selection committee for the NFCA All-American voting. Right now coaches are only voting for their own players or their own conference players. It is not a true All-American.

(Bob) I agree, but wait until after I am done being the All-American rep. (Next year)

(Doug) No, we have talked about this forever. It is time to change.

(Darci) Ok, let's vote

4 for change the All-American process to a selection committee

1 for keeping it the same for another year.

4. Meeting Adjourn – 10:25am
